**PARTICIPATION AGREEMENT AND DISCLOSURE STATEMENT**

**Starfish Shield, Inc.** ("Purchasing Group") is a purchasing group as defined in the federal Risk Retention Act Amendments of 1986, and is organized under the laws of the state of Delaware. The Purchasing Group, through authorized brokers, is authorized to purchase insurance for its members (real estate property owners, managers and other controlling interests). The broker purchases master policies of insurance on behalf of the Purchasing Group and its members. The cost of obtaining these policies includes premiums, commissions paid to agents or brokers, fees to third-party claims adjusters and claims payment services, and general administration fees and expenses, including fees paid to the Purchasing Group Manager, which performs various services, including clerical, accounting and statistical services. Purchasing Group's officers or designees may at their discretion allocate such costs associated with obtaining and administering these policies among the members of the Purchasing Group. For example, because some insurers charge a "flat premium" per Member for covering all Purchasing Group Members, in years where the Program either attracts more members than originally budgeted, or for other reasons, the Program can receive "excess premium." In other years, the Program may attract fewer members than budgeted, in which case there may be a deficit, that will have to be made up by the Purchasing Group. Accordingly, the Purchasing Group Officers or their designees must be authorized to retain any "excess premium" to be used to pay a shortfall in another Program Year, or to allocate some of the excess premium to reduce the total premium cost for Members in a particular Program Year, all at the discretion of the Purchasing Group's Officers or their designees. At no time will any excess premium be used to personally benefit any Purchasing Group Officer or their family or affiliates. All such premiums, commission, fees and expenses are non-auditable.

By accepting the insurance offered in the Proposal or Certificate, incorporated with this document by reference, the individuals and/or entity(s) identified in the "Named Insured" schedule (hereafter, "Member") becomes a Member of Purchasing Group and agrees to participate in the insurance program offered by Purchasing Group through its authorized insurance broker.

Member hereby acknowledges that the cost to Purchasing Group for securing the insurance policies on behalf of its members includes the premiums, commissions, and the administrative and management fees and expenses referred to above ("Program Costs"). Member (i) understands that the quoted amount payable by the Member includes its share of these Program Costs, as allocated by Purchasing Group's officers or designees, and (ii) agrees to pay its share of these Program Costs, stated in the quotation or invoice, as a condition of membership in the Purchasing Group. Member further acknowledges that the Program Costs may also include taxes and fees assessed by applicable states. As a member of Purchasing Group, Member shall be entitled to participate in the insurance program offered by Purchasing Group, through its authorized broker, and shall have an opportunity with all other members to apply for and purchase insurance coverages offered on behalf of Purchasing Group. Except as otherwise specified in this document, Member shall have no rights regarding the general governance of Purchasing Group and shall not have or succeed to any voting rights with respect to the corporate affairs of Purchasing Group.

# Community Association Excess Liability Insurance

There are provisions in this Policy that restrict coverage. Read the entire Policy carefully to determine rights, duties and what is and is not covered.

Throughout this Policy, the words "you" and "your" refer to the "certificate holder." The words "we," "us," and "our" refer to the Company providing this insurance. The words named insured or first named insured refer to the "policyholder" shown as the named insured in the Master Policy Declarations. Because the Policy provides coverage to the "certificate holder," the named insured, First named insured, and "policyholder" do not qualify as insureds. Words and phrases that appear in quotation marks have special meanings that can be found in VII. Definitions or in the specific Policy provision where those words appear.

The Policy consists of the "certificate of coverage" and all forms and endorsements shown on the "certificate of coverage."

In consideration of the payment of the premium and in reliance upon the statements in the application for coverage, we agree to provide coverage as follows:

## **I. Insuring Agreements:**

We will pay on behalf of the "insured" the following sums in excess of the "retained limit" and up to the applicable limit of insurance described in Section III. Limits of Insurance, which the "insured" becomes legally obligated to pay and which are covered by "underlying insurance," or would be covered by "underlying insurance" but for the exhaustion of such policy's limits of liability.

### **A. Liability for Bodily Injury and Property Damage**

We will pay damages the "insured" is legally obligated to pay, including liability assumed by the "insured" under an "insured contract," because of a "claim" for "bodily injury" or "property damage" caused by an "occurrence."

1. If the applicable "underlying insurance" is written on an "occurrence" basis, we will only pay such damages if:
  - a. the "bodily injury" or "property damage" takes place during the "policy period"; and
  - b. prior to the "policy period," no "insured" knew that the "bodily injury" or "property damage," had occurred, in whole or in part.

If any "insured" knew, prior to the "policy period," that the "bodily injury" or "property damage," had occurred in whole or in part, then any continuation, change, or resumption of such "bodily injury" or "property damage" during or after the "policy period," will be deemed to have been known prior to the "policy period." "Bodily injury" or "property damage" which occurs during the "policy period" and was not, prior to the "policy period," known to have occurred by any "insured," includes any continuation, change, or resumption of that "bodily injury" or "property damage" after the end of the "policy period."

"Bodily injury" or "property damage," will be deemed to have been known by all "insureds" to have occurred at the earliest time when any "insured":

- i. reports all, or any part, of the "bodily injury," or "property damage," to us or any other insurer;
  - ii. receives a written or verbal demand or "claim" for damages because of the "bodily injury" or "property damage"; or
  - iii. becomes aware by any other means that "bodily injury" or "property damage" has occurred or has begun to occur.
2. If the applicable "underlying insurance" is written a claims-made or claims-made-and-reported basis, we will only pay such damages if:
    - a. the "claim" is first made against an "insured" during the "policy period";
    - b. the "claim" is first reported to us within the timeframe the "claim" must be reported to the insurer issuing the applicable "underlying insurance";
    - c. no part of the "occurrence" took place prior to the "retroactive date"; and
    - d. prior to the first date of the "policy period," no "insured" had any knowledge of the "occurrence," "bodily injury," or "property damage" and had no reasonable basis to believe based on any facts, circumstances, or events that a "claim" could be made.

## **B. Wrongful Act Liability**

We will pay damages the "insured" is legally obligated to pay because of a "claim" for a "wrongful act."

1. If the applicable "underlying insurance" is written on an "occurrence" basis, we will only pay such damages if:
  - a. the "wrongful act" takes place during the "policy period"; and
  - b. prior to the "policy period" no "insured" was aware of any part of the "wrongful act," any "related wrongful acts", or had any reasonable basis to believe based on any facts, circumstance, or events that a "claim" could be made.
2. If the applicable "underlying insurance" is written on a claims-made or claims-made-and-reported basis, we will only pay such damages if:
  - a. the "claim" is first made against an "insured" during the "policy period";
  - b. the "claim" is first reported to us within the timeframe the "claim" must be reported to the insurer issuing the applicable "underlying insurance";
  - c. no part of the "wrongful act" or any "related wrongful acts" took place prior to the "retroactive date"; and
  - d. prior to the first date of the "policy period," no "insured" had any knowledge of the "wrongful act" and had no reasonable basis to believe based on any facts, circumstances, or events that a "claim" could be made.

Under no circumstances will the coverage provided by Section I. Insuring Agreements be broader than the coverage provided for those risks by the "underlying insurance."

---

## **II. Coverage Extension – Crisis Response Coverage**

- A. We will pay "crisis response costs" resulting from a "crisis event" that first occurs during the "policy period" and is reported to us within seventy-two (72) hours after the "crisis event" begins, provided such "crisis response costs" are incurred within thirty (30) days following the "crisis event."
- B. The Crisis Response Cost Aggregate limit of insurance stated in Item 4. of the "certificate of coverage" is the most we will pay for "crisis response costs" regardless of the number of "crisis events," "insureds," acts, or injuries. The Crisis Response Cost Aggregate limit of insurance is separate and apart from, and not part of or subject to, any other limit of liability stated in this Policy.

- C. Any request for reimbursement from us of any "crisis response costs" must be provided in writing within ninety (90) days after you incur those "crisis response costs" and include all invoices and receipts proving and describing the "crisis response costs" with reasonable particularity.
- D. Payment of "crisis response costs" is not an acknowledgment of coverage under any insuring agreement for any related or underlying injury, acts, or "claim." We neither have nor undertake any duty to defend, pay, or settle any "claim" or "suit" under this Crisis Response Coverage.

---

### III. Limits of Insurance

The Limits of Insurance shown in Item 3. of the "certificate of coverage" and the rules below state the most we will pay.

- A. The Aggregate limit of insurance stated in Item 3.B. of the "certificate of coverage" is the most we will pay for all damages, except damages included in the "products-completed operations hazard," regardless of the number of insuring agreements triggered, "insureds" involved, "claims" made, "suits" brought, persons or organizations making "claims" or bringing "suits," "wrongful acts," or "occurrences."
- B. The Products-Completed Operations Aggregate limit of insurance stated in Item 3.A. of the "certificate of coverage" is the most we will pay for all damages included in the "products-completed operations hazard," regardless of the number of insuring agreements triggered, "insureds" involved, "claims" made, "suits" brought, persons or organizations making "claims" or bringing "suits," "wrongful acts," or "occurrences."
- C. Subject to A. or B. in Section III. Limits of Insurance, whichever applies, the Each Occurrence/ Each Claim limit of insurance stated in Item 3.A. of the "certificate of coverage" is the most we will pay for damages arising out of any one "occurrence," if the applicable "underlying insurance" provides coverage on an "occurrence" basis, or any one "claim," if the applicable "underlying insurance" provides coverage on a claims-made or claims-made-and-reported basis, regardless of the number of "insureds" involved or persons or organizations making "claims" or bringing "suits."
- D. If we undertake the defense of any "claim" or "suit" pursuant to Section IV. Defense and Settlement, sums paid in defense will affect the Limits of Insurance according to the following rules:
  - 1. If sums paid in defense under the applicable "underlying insurance" are within or otherwise reduce the limits of the "underlying insurance," then any sums we pay in defense are within and will reduce all applicable Limits of Insurance as if such amounts were paid as damages.
  - 2. If sums paid in defense under the applicable "underlying insurance" are outside of and do not reduce the limits of "underlying insurance," then we will pay sums in defense up to the Each Occurrence/ Each Claim limit of insurance, outside of and in addition to the applicable Limits of Insurance. Defense cost payments in excess of the Each Occurrence/ Each Claim limit of insurance are within and will reduce all applicable Limits of Insurance as if such amounts were paid as damages.
- E. The Limits of Insurance of this Policy apply separately to each consecutive annual period and to any remaining period of less than 12 months, starting with the beginning of the "policy period" unless the "policy period" is extended after issuance for an additional period of less than 12 months. In that case, the additional period will be deemed part of the last preceding period for purposes of determining the Limits of Insurance.

The Limits of Insurance apply individually to each "certificate of coverage" issued to members of the risk purchasing group as stated above.

#### F. Retained Limit

Subject to the applicable Limits of Insurance stated in the "certificate of coverage" and described in A. through E. above, we will be liable only for that portion of damages and, as set out in D. above, defense costs that are in excess of the "retained limit."

---

#### **IV. Defense and Settlement**

- A.** We will have the right and duty to investigate and defend any "claim" or "suit" seeking damages covered by the terms and conditions of this Policy when the "retained limit" has been exhausted. As part of that investigation and defense, we will pay the following as expenses, but only to the extent they are neither paid nor required to be paid by the applicable "underlying insurance" or by any other insurance providing coverage to the "insured":
1. premiums on bonds to release attachments, but only for bond amounts within our applicable limit of insurance; however, we are not obligated to apply for or furnish any such bond;
  2. premiums on appeal bonds required by law to appeal any "claim" or "suit" we defend, but only for bond amounts within our applicable limit of insurance; however, we are not obligated to apply for or furnish any such bond;
  3. all court costs taxed against the "insured" in any "claim" or "suit" we defend; however, we will not pay for attorneys' fees or attorneys' expenses taxed against the "insured"; and
  4. the "insured's" actual and reasonable expenses incurred at our request.
- B.** When we assume the defense of any "claim" or "suit," we have the right to settle the "claim" or "suit" as we deem expedient, unless the applicable "underlying insurance" requires the "insured's" consent, in which case we will have the same rights of settlement as provided in the applicable "underlying insurance."
- C.** We will have no obligation to investigate, defend, or settle any "claim" or "suit" after our applicable Limits of Insurance have been exhausted by payment of judgments, settlements, or defense costs as dictated by Section III. Limits Of Insurance, D., above.
- D.** Except for those instances described in this Section IV. Defense and Settlement, A., we will not be obligated to assume charge of the investigation, settlement, or defense of any "claim" or "suit." We will, however, have the right and will be given the opportunity to participate in the settlement, defense, and trial of any "claim" or "suit" which, in our opinion, may create liability on our part under the terms of this Policy. If we exercise such right, we will do so at our own expense.

---

#### **V. Exclusions**

This insurance does not apply to any "claim" or "suit" arising out of, based upon or attributable to, directly or indirectly, or in any way involving:

**A. Advertising Injury and Personal Injury**

## **VIII. Conditions**

### **A. Appeals**

If the "insured" or an "insured's" underlying insurers do not appeal an award or judgment in excess of the "retained limit," we have the right to make such an appeal. Whether or not we elect to appeal, and regardless of the result of any appeal we elect to make, the amount we pay in connection with such an award or judgment will not exceed our applicable limit of insurance, as stated in Item 3. of the "certificate of coverage" and determined by the rules set forth in Section III. Limits of Insurance.

### **B. Audit**

We may audit and examine your books and records as they relate to this Policy or the premium to be charged, at any time during the "policy period" of this Policy and for up to three years after the end of that "policy period."

**C. Bankruptcy or Insolvency**

The bankruptcy, insolvency, or inability to pay of any "insured," or the bankruptcy, insolvency or inability to pay of any of the insurer issuing the applicable "underlying insurance," will not relieve us from the payment of any "claim" or "suit" covered by this Policy. Under no circumstances will any such bankruptcy, insolvency or inability to pay require us to drop down and replace the "retained limit," bear or assume any obligation within the "retained limit," or undertake any obligation owed by an insurer issuing "underlying insurance."

**D. Cancellation**

1. You may cancel this Policy before the end of the "policy period." To do so, you must mail or deliver advance written notice to us stating the day and hour the cancellation takes effect.
2. We may cancel this Policy before the end of the "policy period." If we cancel because of nonpayment of premium, we must mail or deliver advance written notice to you stating when, not less than ten (10) days thereafter, the cancellation takes effect. If we cancel for any other reason, we must mail or deliver advance written notice to you stating when, not less than thirty (30) days thereafter, the cancellation takes effect. Mailing that notice to you at your mailing address shown in Item 1. of the "certificate of coverage" will be sufficient notice of cancellation, and proof of such mailing will be sufficient proof of notice.
3. If you or we cancel, the "policy period" ends when the cancellation takes effect.
4. If we cancel, final premium will be calculated pro rata based on the time this Policy was in force. Final premium will not be less than the Minimum Earned Premium shown in Item 5.B. of the "certificate of coverage."
5. If you cancel, final premium may be more than pro rata; it will be based on the time this Policy was in force and may be increased by our short rate cancellation table and procedure. Final premium will not be less than the Minimum Earned Premium shown in Item 5.B. of the "certificate of coverage."
6. Premium adjustment may be made at the time of cancellation or as soon as practicable thereafter, but the cancellation will be effective even if we have not made or offered any refund due you. Our check or our representative's check, mailed or delivered, will be sufficient tender of any refund due you.
7. The first "certificate holder" will act on behalf of all other "insureds" with respect to the giving and receiving of notice of cancellation and the receipt of any refund that may become payable under this Policy.
8. Any of these provisions that conflicts with an applicable law that controls the cancellation of this Policy is changed by this statement to comply with the minimum mandatory requirements of that law.

**E. Changes**

This Policy contains all the agreements between you and us concerning the insurance afforded. The first "certificate holder" is authorized to act on behalf of all insureds in making or agreeing to changes in the terms of this Policy, but only with our consent. Notice to our agent, or knowledge possessed by our agent or any other person, will not effect a waiver or a change in any part of this Policy. This Policy can be changed only by a written endorsement we issue that becomes a part of this Policy and that is signed by one of our authorized representatives.

**F. Duties in the Event of an Occurrence, Wrongful Act, Claim, or Suit**

1. You must notify us as soon as practicable of "bodily injury," "property damage," an "occurrence," or a "wrongful act" which may result in a "claim" or "suit" involving this Policy. To the extent possible, such notice should include:

- a. how, when, and where the "occurrence" or "wrongful act" took place;
- b. the names and addresses of any injured person and witnesses;
- c. the nature and location of any injury or damage arising out of the "occurrence" or "wrongful act."

If the applicable "underlying insurance" provides coverage on a claims-made basis, you must provide notice of any "claim" or "suit" within the timeframe the "claim" must be reported to the insurer issuing the applicable "underlying insurance."

2. You must notify us in writing as soon as practicable of any "claim" or "suit" covered or potentially covered by any "underlying insurance."
3. You and any other involved "insured" must:
  - a. immediately send us copies of any demands, notices, summonses, or legal papers received in connection with the "claim" or "suit";
  - b. authorize us to obtain records and other information;
  - c. cooperate with us in the investigation, settlement or defense of the "claim" or "suit"; and
  - d. assist us, upon our request, in the enforcement of any right against any person or organization which may be liable to the "insured" because of injury or damage to which this insurance may also apply.
4. All notices must be sent to the address identified in Item 6. of the Certificate of Insurance and include a complete copy of the applicable "underlying insurance," including the declarations page and all forms and endorsements. Notices that are not sent to the stated address and do not include this information are not sufficient and will not satisfy your notice obligation.
5. No "insured" will voluntarily make a payment, assume any obligation, or incur any expense, other than for first aid, without our consent, except at their own cost.

#### **G. Inspection**

We have the right, but are not obligated, to inspect the premises and operations of any "insured" at any time. Our inspections are not safety inspections. They relate only to the insurability of the premises and operations of the "insured" and the premiums to be charged. We may give you reports on the conditions we find. We may also recommend changes. While such inspections may help reduce losses, we do not undertake to perform the duty of any person or organization to provide for the health or safety of any employees or the public. We do not warrant that the premises or operations of any "insured" are safe or healthful or that they comply with laws, regulations, codes, or standards.

#### **H. Legal Actions Against Us**

There will be no right of action against us under this Policy unless:

1. you and any other involved "insured" have complied with all the terms of this Policy; and
2. the amount you owe has been determined, either by settlement with our consent or by actual trial and final judgment.

This insurance does not give anyone the right to add us as a party in an action against you to determine your liability.

#### **I. Knowledge of Occurrence**

Knowledge of any "occurrence," "claim," or "suit" by any agent, servant, or "employee" of the "insured" does not in and of itself constitute knowledge by the "insured" unless notice of such "occurrence," "claim," or "suit" has been received by an officer, manager, risk manager, authorized "employee," or partner of a "certificate holder."

#### **J. Maintenance of Underlying Insurance**

During the period of this Policy, you agree:

1. to keep all policies that qualify as "underlying insurance" in full force and effect;
2. that no renewal or replacement of any policy that qualifies as "underlying insurance" will be more restrictive in coverage than the policy it renews or replaces;
3. that the Limits of Insurance of the policies that qualify as "underlying insurance" will be maintained except for any reduction or exhaustion of aggregate limits by actual payment of "claims" or "suits" for "occurrences" or "wrongful acts" covered by "underlying insurance"; and
4. that the terms, conditions, and endorsements of the policies that qualify as "underlying insurance" will not change during the "policy period" of this Policy in any way that:
  - a. increases the coverage afforded under this Policy; or
  - b. causes the applicable Limits of Insurance of the policies that qualify as "underlying insurance" or of other insurance providing coverage to the "insured" to be reduced or exhausted at an earlier time than they would have been reduced or exhausted in the absence of such change.

If you fail to comply with any one or more of these requirements, we will be liable only to the same extent we would have been had you fully complied with all of these requirements.

**K. Other Insurance**

If other insurance applies to a liability that is also covered by this Policy, this Policy will apply only in excess of the applicable limits of that other insurance. Nothing in this provision will be construed to make this Policy subject to the terms, conditions, and limitations of such other insurance. However, this provision will not apply if the other insurance is specifically written to apply only in excess of the applicable Limits of Insurance of this Policy.

**L. Premium**

The first "certificate holder" will be responsible for payment of all premiums when due.

The premium for this Policy will be computed on the basis set forth in Item 5. of the "certificate of coverage." At the beginning of the "policy period," you must pay us the Advance Premium shown in Item 5.A. of the "certificate of coverage."

When this Policy expires or if it is canceled, we will compute the earned premium for the time this Policy was in force. If this Policy is subject to audit adjustment, the actual exposure basis will be used to compute the earned premium. If the earned premium is greater than the Advance Premium, you will promptly pay us the difference. If the earned premium is less than the Advance Premium, we will return the difference to you. But in any event, we will retain the Minimum Earned Premium as shown in Item 5.B. of the "certificate of coverage for each twelve months of our "policy period."

**M. Separation of Insureds**

Except with respect to our Limits of Insurance and any rights or duties specifically assigned to the "certificate holder," this insurance applies:

1. as if each "certificate holder" were the only "certificate holder;" and
2. separately to each "insured" against whom "claim" is made or "suit" brought.

**N. Trade Sanctions**

This Policy is void from its inception as respects any Policy term or condition that violates any law or regulation of the United States of America (U.S.) concerning economic and trade embargoes including, but not limited to, such laws or regulations respecting any of the following:

1. any "insured," or any person or entity claiming the benefits of an "insured," who is or becomes a "specially designated national" or "blocked person" who is otherwise subject to the economic sanctions of the U.S.;

2. any "claim" or "suit" that is brought in a "sanctioned country" or by the government of a "sanctioned country," where any action in connection with such "claim" or "suit" is prohibited by U.S. economic or trade sanctions;
3. any "claim" or "suit" that is brought by any "specially designated national," "blocked person," or any person or entity who is otherwise subject to U.S. economic or trade sanctions;
4. property that is located in a "sanctioned country" or that is owned by, rented to or in the care, custody or control of a "sanctioned country" government, where any activities related to such property are prohibited by U.S. economic or trade sanctions;
5. property that is owned by, rented to or in the care, custody, or control of a "specially designated national," "blocked person," or any person or entity who is otherwise subject to U.S. economic or trade sanctions.

As used in this Policy a "specially designated national" or "blocked person" is any person or entity that is on the list of "specially designated nationals" and "blocked persons" issued by the United States Treasury Department's Office of Foreign Asset Control (O.F.A.C.) as it may be amended from time to time.

As used in this Policy a "sanctioned country" is any country that is the subject of trade or economic embargoes imposed by the laws of the U.S.

**O. Transfer of Rights of Recovery Against Others to Us**

If any "insured" has rights to recover all or part of any payment we have made under this Policy, those rights are transferred to us. The "insured" must do nothing after loss to impair those rights and must help us enforce them. At our request, the "insured" will bring "suit" or transfer those rights to us and help us enforce them.

Any recoveries will be applied as follows:

1. any interests, including the "insured," that have paid an amount in excess of our payment under this Policy will be reimbursed first;
2. we then will be reimbursed up to the amount we have paid; and
3. lastly, any interests, including the "insured," over which our insurance is excess, are entitled to claim the residue.

Expenses incurred in the exercise of rights of recovery will be apportioned between the interests, including the "insured," in the ratio of their respective recoveries as finally settled.

**P. Terms Conformed to Statute**

The terms of this Policy which are in conflict with the statutes of the state where this Policy is issued are amended to conform to the minimum mandatory requirements of such statutes.

If we are prevented by law or statute from paying on behalf of an "insured," then we will, where permitted by law or statute, indemnify the "insured" for those sums in excess of the "retained limit."

**Q. Titles and Headings**

Headings and titles contained in this Policy are for purposes of organization and reference only. They do not, and shall not be deemed to, control or affect the meaning or construction of any provision of this Policy.

**R. Transfer of Your Rights and Duties**

No "insured" may transfer any of its rights or duties under this Policy without our written consent.

If you die or are legally declared bankrupt, your rights and duties will be transferred to your legal representative but only while acting within the scope of duties as your legal representative. However, notice of cancellation sent to the first "certificate holder" and mailed to the address shown in this "certificate of insurance" will be sufficient notice to effect cancellation of this Policy, even if you have died or been legally declared bankrupt.

**S. Unintentional Failure to Disclose Hazards**

An "insured's" failure to disclose all hazards existing as of the inception date of this Policy will not prejudice that "insured's" insurance with respect to the coverage afforded by this Policy, provided such failure is both:

1. not intentional on the part of that "insured" and
2. reported to us as soon as practicable after its discovery by any "certificate holder."

**T. When Loss is Payable**

Coverage under this Policy does not apply unless and until the "insured" or its underlying insurer is obligated to pay the "retained limit."

When the amount of loss has finally been determined, we will promptly pay on behalf of the "insured" the amount of loss covered under the terms of this Policy.

We may, at our sole discretion, advance on behalf of an "insured" sums within the "retained limit" in order to effect settlement of a "claim" or "suit." If we do so, you will promptly reimburse us for any such amount we advance on behalf of any "insured."

---

**IX. Supplementary Payments**

We will pay the following, but only to the extent they are neither paid nor required to be paid by "underlying insurance" or by any other insurance providing coverage to the "insured."

- A.** pre- judgment interest awarded against the "insured" on that part of the judgment we pay that is within our applicable limit of insurance. If we make an offer to pay our applicable limit of insurance, we will not pay any pre-judgment interest based on the period of the time after the offer;
- B.** all interest that accrues after entry of judgment and before we have paid, offered to pay, or deposited in court the part of the judgment that is within our applicable limit of insurance.

These interest payments are in addition to our Limits of Insurance.

**FLORIDA EXCESS UNINSURED MOTORISTS COVERAGE**

This endorsement modifies insurance provided under the following:  
EXCESS LIABILITY COVERAGE FORM

**SCHEDULE**

<b>Limit Of Insurance:</b>	\$1,000,000	<b>Each Accident</b>
Information required to complete this Schedule, if not shown above, will be shown in the Declarations.		

- I. We will pay all sums the "insured" is legally entitled to recover as compensatory damages in excess of the "retained limit", from the owner or driver of an "uninsured motor vehicle". The damages must result from "bodily injury" sustained by the "insured" caused by an accident. The owner's or driver's liability for these damages must result from the ownership, maintenance, or use of the "uninsured motor vehicle".  
Any judgment for damages arising out of a "claim" brought without our written consent is not binding on us.  
With respect to damages resulting from an accident with a vehicle described in Paragraph (2) of the definition of "uninsured motor vehicle", we will pay only if paragraph a. or b. below applies:
  - a. the limit of any applicable liability bonds or policies have been exhausted by payment of judgments or settlements
  - b. a tentative settlement has been made between an insured and the insurer of the vehicle in Paragraph (2) of "uninsured motor vehicle" and: 1) we have been given prompt written notice of such tentative settlement; and 2) advance payment to the insured in an amount necessary to equal the tentative settlement within 30 days after receipt of notification
- II. For purpose of the coverage provided by this Endorsement, if the "certificate holder" is an individual, then "family members" and anyone else "occupying" a covered "auto" will be insureds under this policy.
- III. In Section V. Exclusions, X. Un-Insured/Under-Insured Motorists and Similar Laws is amended to the extent necessary to provide the following:  
However, this exclusion will not apply to any sums the "insured" is legally entitled to recover under this endorsement, subject to the Excess Uninsured Motorists Coverage shown in the Schedule or Declarations.  
In Section VI. Following Form Exclusions, A. Auto is amended to the extent necessary to provide the following:  
However, this exclusion will not apply to any sums the "insured" is legally entitled to recover under this endorsement, subject to the Excess Uninsured Motorists Coverage shown in the Schedule or Declarations.

**IV.** The following is added to Section **V.** Exclusions:

**UM-A.** First Party Auto Coverages

any loss, cost or expense payable under or resulting from any of the following auto coverages:

1. first-party physical damage coverage;
2. no-fault coverage; or
3. personal injury protection or auto medical payments coverage.

**UM-B.** Uninsured Motorists Coverage Exclusions

The Excess Uninsured Motorists Coverage does not apply to any "claim" or "suit" arising out of, based upon or attributable to, directly or indirectly, or in any way involving:

1. any "claim" settled or judgment reached without our consent, unless our right to recover payment has not been prejudiced by such settlement or judgment. However, this exclusion does not apply to a settlement made with the insurer of a vehicle described in Paragraph (2) of the definition of "uninsured motor vehicle" in accordance with the procedure described in this endorsement.
2. the direct or indirect benefit of any insurer or self-insurer under any workers' compensation, disability benefits or similar law.
3. anyone using a vehicle without a reasonable belief that the person is entitled to do so.
4. punitive or exemplary damages.
5. "bodily injury" sustained by:
  - a. an individual Named Insured while "occupying" or when struck by a vehicle owned by that individual Named Insured that is not a covered auto for Excess Uninsured Motorists Coverage in the underlying insurance for Uninsured Motorists Coverage
  - b. any "family member" while "occupying" or when struck by any vehicle owned by that "family member" that is not a covered auto for Excess Uninsured Motorists Coverage in the underlying insurance for Uninsured Motorists Coverage; or
  - c. any insured with respect to damages for pain, suffering, mental anguish or inconvenience unless the bodily injury consists in whole or in part of: (i) significant and permanent loss of an important bodily function; (ii) permanent injury within a reasonable degree of medical probability, other than scarring or disfigurement; (iii) significant and permanent scarring or disfigurement; or (iv) death.
6. bodily injury arising directly or indirectly out of: (i) war, including undeclared or civil war; (ii) warlike action by a military force, including action in hindering or defending against an actual or expected attack, by any government, sovereign or other authority using military personnel or other agents; or (iii) insurrection, rebellion, revolution, usurped power, or action taken by governmental authority in hindering or defending against any of these.

**V.** The following is added to Section **III.** Limits of Insurance:

Regardless of the number of covered "autos", "insureds", premiums paid, "claims" made, or vehicles involved in the accident, the most we will pay for all damages resulting from any one accident in excess of the "retained limit" is the limit of Excess Uninsured Motorists Coverage shown in the Schedule or Declarations. The limit of Excess Uninsured Motorists Coverage is not subject to the Each Occurrence Limit (Liability Coverage) shown in the Declarations.

**VI.** Solely for purposes of this endorsement, the following definitions are added to Section **VII.** Definitions:

**UM-A.** "Coverage Territory" means the United States of America, its territories and possessions, Puerto Rico, and Canada.

**UM-B.** "Family Member" means a person related to an individual "certificate holder" by blood, marriage or adoption who is a resident of such "certificate holder's" household, including a ward or foster child.

**UM-C.** "Occupying" means in, upon, getting in, on, or out of.

**UM-D.** "Uninsured motor vehicle" means a land motor vehicle or trailer:

1. for which no liability bond or policy applies at the time of an accident;
2. that is an underinsured motor vehicle. An "underinsured motor vehicle" means a land motor vehicle or trailer to which a bodily injury liability bond or policy applies at the time of an accident but the amount paid for bodily injury under that bond or policy to an "insured" is not enough to pay the full amount the "insured" is legally entitled to recover as damages;

3. for which an insuring or bonding company denies coverage or is or becomes insolvent; or
4. for which neither the driver nor owner can be identified. The land motor vehicle or trailer must: (i) Hit an individual "certificate holder" or any "family member", a covered "auto" or a vehicle such "certificate holder" or any "family member" are "occupying"; or (ii) cause an accident resulting in bodily injury to an individual "certificate holder" or any "family member" without hitting that "certificate holder", any "family member", a covered auto or a vehicle such "certificate holder" or any "family member" are "occupying".

If there is no physical contact with the land motor vehicle or trailer, the facts of the accident must be proved. We will only accept competent evidence other than the testimony of a person making claims under this or any similar coverage.

However, "uninsured motor vehicle" does not include any vehicle:

- a. owned by a governmental unit or agency;
- b. designed for use mainly off public roads while not on public roads; or
- c. owned by or furnished or available for the regular use of the "certificate holder" or any "family member" unless it is a covered auto to which the Coverage Form's Liability Coverage applies and liability coverage is excluded for any person or organization other than the "certificate holder" or, if the "certificate holder" is an individual, any "family member".

**VII.** Solely for purposes of this endorsement, the following conditions are added to Section **VIII.** Conditions:

**UM-A.** You must promptly notify the policy of any accident if a hit-and-run driver is involved, and promptly send us copies of the legal papers if a "suit" is brought.

Any person seeking coverage from an insurer, owner or operator of a vehicle described in the definition of "uninsured motor vehicle" must also promptly notify us in writing of a tentative settlement between the insured and the insurer and allow us to advance payment to that "insured" in an amount necessary to equal the tentative settlement within 30 days after receipt of notification to preserve our rights against the insurer, owner or operator of such vehicle.

**UM-B.** If we and an insured do not agree whether a person is entitled to recover damages under this endorsement or as to the amount of recoverable damages, then we may agree to arbitration of the matter. However, disputes concerning coverage under this endorsement may not be arbitrated. Both parties must agree to arbitration. In this event, each party will select an arbitrator. The two arbitrators will select a third. If they cannot agree within 30 days, either may request that selection be made by a judge of a court having jurisdiction.

Each party will pay the expenses it incurs and bear the expenses of the third arbitrator equally. Unless both parties agree otherwise, arbitration will take place in the county in which the insured lives. Local rules of law as to arbitration procedure and evidence will apply. A decision agreed to by two of the arbitrators will be binding.

If we and an "insured" agree to arbitration, the **Florida Arbitration Act** will not apply.

**VIII.** In Section VIII. Conditions, O. Transfer of Rights of Recovery Against Others to Us is amended to the extent necessary to provide the following:

However, this provision will not apply to any damages caused by an accident involving an underinsured motor vehicle if we have been given prompt notice of the settlement and have failed to advance payment to the "insured" as described in this endorsement. If we advance payment to the "insured" in an amount necessary to equal the tentative settlement within 30 days after receipt of notification, we will have the right to recover such advance payment.

All other terms and conditions of the Policy remain unchanged.
