

# **The Moorings Condominium Board of Directors**

## **October 2023 Meeting**

The regular Board Meeting for October was changed to a presentation by Robert Mitchell. Notice was placed on property bulletin boards and on the web site 48 hours in advance. He discussed the current property/flood insurance issues in Florida. After the presentation the floor was opened to questions with no response.

The Board will be considering the information and options given by Mr. Mitchell and will compare with the current insurance carrier – PCS.

The Board
