Just prior to Thanksgiving, Alpha Early Squad wanted to assist families in need of services by providing prepared meals for the Thanksgiving holiday. SRO Volker and Sgt. Mathis were contacted to see if they knew of any families that could use additional assistance.

SRO Volker was quickly able to identify five families that were in need of services and a little extra assistance during this time. Sgt. Mathis said he would like to personally donate money towards providing food for the families. Alpha Early Squad also selflessly provided money and a collection was gathered.

A restaurant in New Port Richey (Central Park Family Restaurant) was offering a fully cooked Turkey dinner for 4 with all the sides. On 11/24/2021 Cpl. Maclsaac, Ofc. Volker and Sgt. Spatz arrived at Central park to pick up the food to be delivered to the families.

The owners of Central Park restaurant advised they were made aware officers of the Tarpon Springs Police Department were purchasing the food and donating it to families in need. The owners (Matt & Megan Ferro) advised the officers they were donating the food to our cause and selflessly refused to take any money.

Upon returning with the food, the officers mentioned Mr. and Mrs. Ferro's generous act and asked the officers the shift what they would like to do with the money collected. The officers advised they would roll the money collected over towards a Christmas fund to buy gifts for the Cops & Kids annual toy drive.

The food was delivered to the families, who were grateful and expressed their thankfulness towards the officers and the department.

We would like to recognize the following officers for their selfless act of service and dedication to our community. Sgt. T. Mathis, Sgt. J. Spatz, SRO. W. Volker, Cpl. S. Maclsaac, Ofc. C. Brinker, Ofc. J. Smith, Ofc. B. Rose and Ofc. J. Hollingsworth.

The officers, along with the owners of the Central Park restaurant who did not want any recognition for this selfless act of service, but we believe they should be recognized.

These excellent officers are a credit to this agency, the community and themselves and we thank them and Central Park restaurant for their generosity and kindness.

Great Job Alpha Early Squad and Central Park restaurant!

Burn and Scald Prevention

Prevent burns and scalds in the kitchen:

- ▶ Place objects so that they cannot be pulled down or knocked over.
- ▶ Turn pot handles away from the stove's edge.
- ▶ Use dry oven mitts or potholders. Hot cookware can heat moisture in a potholder or hot pad, resulting in a scald burn.
- ▶ Wear short, close-fitting or tightly rolled sleeves when cooking.
- ▶ Have a "kid-free zone" of at least 3 feet around the stove.

General first aid for burns and scalds:

- ▶ Treat a burn right away by putting it in cool water. Cool the burn for three to five minutes.
- ▶ Cover burn with a clean, dry cloth. Do not apply creams, ointments, sprays or other home remedies.
- ▶ Remove all clothing, diapers, jewelry and metal from the burned area. These can hide underlying burns and retain heat, which can increase skin damage.
